

**Positive Reminders & Proven Ways For...**

# **STAYING INSPIRED IN HR**

## **"DON'T WASTE TIME IN HR ROLES YOU DON'T ENJOY."**

1

You can't stay energized in a job that you don't like. Sure, every HR role has its flat sides. But minimize how much time you spend there. Patience, passion & dedication come easily ONLY when you find HR work you love.

## **"IF IT DOESN'T OPEN, IT'S NOT YOUR DOOR."**

2

Be grateful for rejections, closed doors and un-returned phone calls as you pursue career advancement in HR. All rejection means is that you're closer to landing that ideal HR position intended for you. Your value does not decline based on someone else's inability to see your worth.

## **"STAY FRESH."**

3

Recharge your batteries often by taking vacations, time off and going to seminars, conferences & workshops. Keep up with the new technology innovations in HR. Finally, do yourself a favor by finding a hobby, sport or personal interest away from the grind of HR work that GIVES YOU JOY.

## **"GET IT DONE."**

4

Ship it. Finish that project. Step up to that challenge. Make that tough decision. Avoid procrastination. Don't be a wimp. Let your HR legacy be joyfully shaped by decisions you made -- not by the ones you didn't.

## **"CHERISH & APPRECIATE THE CLOSEST PEOPLE AROUND YOU."**

5

In tough times, your closest colleagues, friends & relatives can be an infinite source of strength & energy. Tap into them regularly. Don't take them for granted. Make time for them and you'll look back with no regrets.
